

# Assignment for Presentation

LAI Hui Shan  
m5281022

You need to decide on your presentation theme (paper) from the "List of articles for presentation". Please indicate your three favorite candidates in order of preference.

For the report, please provide titles of the articles.

## Preferred Articles for Presentation:

1. **First Choice:** Generative Artificial Intelligence Assistants in Software Development Education: A Vision for Integrating Generative Artificial Intelligence Into Educational Practice, Not Instinctively Defending Against It
2. **Second Choice:** Digital Twin Platforms: Requirements, Capabilities, and Future Prospects
3. **Third Choice:** Automated Code Editing With Search-Generate-Modify
