

# Software Engineering

Assignment for Week 4

## Assignment for Presentation

Your presentation topic will be decided based on the instructor's feedback on Assignment 3.

If you have not yet decided on a topic (paper) for your presentation, do so with the help of the instructor (yutaka@u-aizu.ac.jp).

Please create a template for your presentation, including the following items

- Cover page with title, your information, and URL of the original paper
- Outline
- Duration (10 or 15 minutes) and approximate number of pages

*\* You can indicate them at the last page as a note*

*\* The length of your presentation will not affect your grade.*

Please provide the slides under preparation. (m5XXXXXX.ppt or m5XXXXXX.pdf)

## Deadline

1 Week
