1. If you have suggestions of articles for our presentation session, please provide the title and URL of the articles. Note that they should be from major journals related to Software Engineering. Here, those indexed in SCI and SCIE are considered as major journals. They should be open access.

The articles I would like to recommend are as follows:

Title: Mind the Gap! A Study on the Transferability of Virtual Versus Physical-World Testing of Autonomous Driving Systems

Published in: IEEE Transactions on Software Engineering

URL: https://ieeexplore.ieee.org/document/9869302
